

Leviticus: Introduction to Our Study

GOAL OF THIS LESSON

1. Introduce ourselves to the format & interpretive methods we will use to study Leviticus
2. To be reminded of the necessity for the disciple of Jesus to study Leviticus

RESEARCH/STUDY ASSIGNMENTS

List all the ways you can think of that Leviticus is relevant to you & why you need to study it.

List any reasons why you do or should WANT to study Leviticus

SCRIPTURES TO STUDY

2 Timothy 3.16-17, Romans 15.4-6,
Deuteronomy 29.29

Matthew 5.17-18, Galatians 3.15-29

KEEP THESE THINGS IN MIND....

The context of the writing of Leviticus

The unique place Leviticus holds in Scripture

What Leviticus meant to Old Covenant Israel

What meaning Leviticus should have & represent to New Covenant disciples of Jesus'

ENCOURAGEMENT

To be fair... very few people look forward to studying Leviticus. Most people struggle with it's language, detail, complexity & especially its relevance to them. If you're reading this, most likely, to at least some degree, you are not looking forward to this study

Consider this. One of the Scriptures that is assigned for study in this lesson is 2 Timothy 3.16-17. If Leviticus is Scripture then God gave it to teach us, to prove us, to correct us, for training us in righteousness & to thoroughly equip us for every good work

One of the goals of this entire study is to learn how Leviticus does that. Once we do, I promise it will be much easier to study

EDIFICATION CHALLENGE

Begin each of your private studies with prayer.

Ask God for wisdom & understanding of His Scripture.

Remind yourself each week, the goal of these lessons is not to complete the assignments but for you to learn, be edified & encouraged to walk with God by faith
